

WALKER AND KIRBY ARE BOTH ARRESTED

Fixed For Each at Very Nominal
Sum of Five Hundred Dollars.

HEARING SET FOR SEPT. 24TH

Walker Secured Bond and Returns.
While Kirby is Waiting on Bond to
Be Sent Him from Newberry Parties
Today.

As a sequel to the shooting affray
between Deputy I. C. Walker of this
city and J. H. M. Kirby of Newberry
at Werthington Springs a few days
ago, both parties are now charged
with assault with intent to kill.

The deputy sheriff had a warrant
out for Kirby in Bradford county,
which was sent to Deputy Sheriff
Livingston at Newberry, who tele-
phoned Kirby that he wanted him.
The man readily came in and
presented himself up, accompanying the
deputy to Gainesville, where he secured
the services of Attorney Thrasher
and proceeded at once to Starke.

Upon reaching the Bradford county
jail Kirby proceeded to swear out a
warrant for Walker, and both of them
were under arrest, charged with assault
with intent to kill.

Walker furnished bond, with Bobe
Harvard and G. W. Livingston as
sureties, while Kirby is awaiting his
bond to be forwarded by Deputy
Sheriff Livingston, who will get
bond in Newberry to sign the same.
Both parties are well known
throughout the county and it is ex-
pected that a large number of people
from this section will attend their pre-
liminary hearing, which is set for
September 24th.

THE S. J. THOMAS CO.

This woman says that sick
women should not fail to try
Lydia E. Pinkham's Vegetable
Compound as she did.

Mrs. A. Gregory, of 2355 Lawrence
St., Denver, Col., writes to Mrs.
Pinkham:

"I was practically an invalid for six
years, on account of female troubles.
I underwent an operation by the
doctor's advice, but in a few months I
was worse than before. A friend ad-
vised Lydia E. Pinkham's Vegetable
Compound and it restored me to perfect
health, such as I have not enjoyed in
many years. Any woman suffering as
I did with backache, bearing-down
pains, and periodic pains, should not fail
to use Lydia E. Pinkham's Vegetable
Compound."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pink-
ham's Vegetable Compound, made
from roots and herbs, has been the
standard remedy for female ills,
and has positively cured thousands of
women who have been troubled with
displacements, inflammation, ulceration,
fibroid tumors, irregularities,
periodic pains, backache, that bear-
ing-down feeling, flatulency, indiges-
tion, dizziness or nervous prostration.
Why don't you try it?

Mrs. Pinkham invites all sick
women to write her for advice.
She has guided thousands to
health. Address, Lynn, Mass.

Then watch it closely. And above
all things don't let it suffer for any

fatal. If its complexion gets yellow

W. H. Dunaway brought into this

cob, over three inches long, which he
extracted from the jaw of Fred Walk-

in the flesh and had perhaps remain-

tion plainly a cob. Some have sug-
gested that it now possesses the

Notwithstanding the cry of hard
times which have resounded through-
out the country, the immense re-
ceipts of merchandise at this point
for our merchants tends to show that
Manatee county is prospering, and
so mote it be, for we have the finest
soil and climate to be found in these
United States. Our railroad and
water facilities are of the first order
and since the railroad commission
has up the matter of rates from Flor-
ida points, the truckers will fare much
better. Heretofore the railroads have
taken the lion's share of his earnings
and it is sincerely hoped the new
rating will put an end to this.—

One of the deputy sheriffs got a lit-
tle too fresh at the Air Dome Thurs-
day night. Wearing a badge of au-
thority and a huge pistol he demanded
a free ticket of Miss Smoak, who was
at the ticket office at the time. The
man put his hand on his pistol in a
threatening manner and exposed its
hilt to the young lady. She was badly
frightened and ran into the theater,
where her father fortunately happened
to be. Without waiting on the order
of going he at once was by the side
of the young man dressed in "brief
authority," disarmed him and gave
him the worst thrashing that has been
inflicted upon anyone in these parts
in some time. In addition to which
he was fined \$25 and costs in the
mayor's court, and received no sym-
pathy from any source. The next
morning everybody was praising Mr.
Smoak. The young man was not only
very much disfigured, but very much
humiliated. If the picture of the
scene could be obtained and put on
a film it would be a very popular
drawing card for the moving picture
business in Ocala.—Ocala Banner.

fore the next session of congress the
passage of a bill embodying substan-
tially the propositions contained in
the Culberson-Smith car and trans-

"A White Australia."

London, Sept. 9.—The London news-
papers continue to discuss the question
of a "white Australia." The Times in
an editorial regards immigration as
presenting the crucial problem con-
fronting British statesmen in the
twentieth century, as far as concerns
Australia. The Times argues that
there are no industries in north Aus-
tralia which can be conducted profit-
ably by white men alone, without
support from the state.
